

Notice of Understanding and Intent and Claim of Right

- Whereas it is my understanding the United States of America is a common law jurisdiction, and,
- Whereas it is my understanding equality before the law is paramount and mandatory, and,
- Whereas it is my understanding a statute is defined as a legislated rule of society which has been given the force of law, and,
- Whereas it is my understanding a society is defined as a number of people joined by mutual consent to deliberate, determine and act for a common goal, and,
- Whereas it is my understanding the only form of government recognized as lawful in the United States of America is a representative one, and,
- Whereas it is my understanding representation requires mutual consent, and,
- Whereas it is my understanding that in the absence of mutual consent neither representation nor governance can exist, and,
- Whereas it is my understanding all Acts are statutes restricted in scope and applicability by the Constitution and/or Bill of Rights and,
- Whereas it is my understanding that said scope and applicability is limited to members and employees of government, and,
- Whereas it is my understanding those who have a SIN (Social Insurance Number) are in fact employees of the federal government and thus are bound by the statutes created by the federal government, and,
- Whereas it is my understanding that it is lawful to abandon one's SIN, and,
- Whereas it is my understanding people in the United States of America have a right to revoke or deny consent to be represented and thus governed, and,
- Whereas it is my understanding if anyone does revoke or deny consent they exist free of government control and statutory restraints, and,
- Whereas a Freeman-on-the-Land has lawfully revoked consent and does exist free of statutory restrictions, obligations, and limitations, and,
- Whereas I, _____ am a Freeman-on-the-Land, and,
- Whereas it is my understanding that acting peacefully within community standards does not breach the peace, and,
- Whereas it is my understanding that any action for which one can apply for and receive a license must itself be a fundamentally lawful action, and,
- Whereas as I am a Freeman-on-the-Land who operates with full responsibility and not a child, I do not see the need to ask permission to engage in lawful and peaceful activities, especially from those who claim limited liability, and,
- Whereas it is my understanding a by-law is defined as a rule of a corporation, and,
- Whereas it is my understanding corporations are legal fictions and require contracts in order to claim authority or control over other parties, and,
- Whereas it is my understanding legal fictions lack a soul and cannot exert any control over those who are thus blessed and operate with respect to that knowledge as only a fool would allow soulless fictions to dictate ones actions, and,
- Whereas it is my understanding that I have a right to use my property without having to pay for the use or enjoyment of it, and,
- Whereas I claim the right to collect a pension if I have paid into it and claim that said right is not affected if I abandon my Social Insurance Number, and,
- Whereas it is my understanding that a summons is merely an invitation to attend and that they create no

obligation or dishonor if ignored, and,

- Whereas it is my understanding peace officers have a duty to distinguish between statutes and law and those who attempt to enforce statutes against a Freeman-on-the-Land are in fact breaking the law, and,
- Whereas I have the power to refuse intercourse or interaction with peace officers who have not observed me breach the peace, and,
- Whereas permanent estoppel by acquiescence barring any peace officer or prosecutor from bringing charges against a Freeman-on-the-Land under any Act is created if this claim is not responded to in the stated fashion and time,

Therefore be it now known to any and all concerned and affected parties, that I, _____ a Freeman-on-the-Land do hereby state clearly, specifically, and unequivocally my intent to peacefully and lawfully exist free of all statutory obligations and restrictions and maintain all rights at law to trade, exchange or barter.

- Furthermore, I claim that "all persons, acting as, governments, principals, employees, agents and justice system participants claiming, "retained legal counsel" have, by virtue of their own and/or their principals actions, claimed "total incompetence", in handling any of their own affairs in law and have become an instant ward of the court, hence, they are imprisoned by their own actions in hand or lack thereof.
- Furthermore, I claim that due to the self evident facts in truth at hand, that all persons, the Crown, governments, principals, employees, agents and justice system participants claiming limited liability or immunity are doing so under the pretense of being in fact deemed totally incompetent and under law made instant wards of the Crown and/or court and therefore, cannot claim good faith or color of right over anyone who is thus blessed as being a competent heir.
- Furthermore, I claim that, "Ignorance of the Law" is not a lawful or legal claim when used by the Crown, government principals, employees, agents and justice system participants at any and all levels to my harm or detriment, especially by those claiming limited liability.
